# Hatton Garden suspect 'fingered by his walk' COURT TOLD GAIT CONSISTENT WITH MYSTERY MAN

THE final Hatton Garden heist suspect, dubbed "Basil", was linked to the raid by the way he walks, a court heard.
Michael Seed, 58, is said to have disabled the safe deposit firm's alarm system, allowing his accomplices to drill through the vault wall over the 2015 Easter bank holiday weekend.
He and Danny Jones, 63, then slipped through the 10-inch by 18-inch hole to loot an estimated £13.7million of gold, cash and gems from 73 boxes, it is claimed.
CCTV cameras caught "Basil" wearing a blue boiler suit, white gloves,

carrying a black binbag and disguised with a wig and facemask as he walked in through the main door of 88-90 Hatton Garden.

Woolwich Crown Court heard Seed was watched by police as he twice met accomplice John "Kenny" Collins, 78, in Shoreditch Park, Islington, north London as Scotland Yard's Flying Squad identified suspects in the wake of the raid.

Prosecutor Philip Evans told jurors they will hear about Seed's "gait" or "the way he walks" adding there is a "consistency between

Mr Seed's physical appearance and gait and that of "Basil" in CCTV footage from the burglary". Outlining the case against the defendant, Mr Evens else pointed

Mr Evans also pointed to covert recordings of the other burglars talking about "Basil", along about "Basil", along with specialist technical equipment and goods stolen from Hatton Garden found in Seed's

home. Seed denies charges of conspiracy to commit burglary and one charge of conspiracy to convert or transfer criminal property. The case continues

MEN who live on a main road are more likely to

be a flop in bed.
A new study suggests exposure to exhaust fumes reduces blood flow to the genitals in laboratory tests on rats. It also slashed their

lung capacity, meaning they were more likely to run out of puff when they got frisky, says the Journal of Sexual Medicine. Scientists compared

the sexual performance of rodents exposed to varying levels of emissions.

Three groups breathed in the pollutants for two, four or six hours a day for three months while a fourth set of rats enjoyed clean, unpolluted air. Those in the four and

six-hour groups suffered a "significant reduction" in erectile function compared to the clean air and two hours of pollution groups.

## Dear Ashleigh,

I HAVE an amazing girlfriend but none of my friends like her and refuse to hang out with me when I am with her.

We have been together for six months and I really think she could be the one – the sex is amazing, there's nothing she won't do in bed, and we get on really well.

be the one – the sex is amazing, there's nothing she won't do in bed, and we get on really well.

She met my friends a few months back and I was desperate to show her off when we all had a night out in a club.

I got smashed and don't remember a thing, but the next day my mates said how she was trying it on with them all and trying to put her hands down their trousers.

My girlfriend denied all of it, and she really isn't the type of girl to do anything like that, but my mates won't change their minds. They say she is not right for me and I'll end up getting hurt.

What should I do?

Ashleigh says...
WHY would your friends make it up? Looks like you'll have to choose – your girlfriend or your mates.

## Dear Ashleigh,

I HAVE a huge problem with a bit of a weird fetish. I like to be tied up and spanked by the opposite sex – and I think about it all the time.

I have met a few mistresses who have similar sexual tastes to me and I have really loved it when they have sixen me a good caping.

tastes to me and I have really loved it when they have given me a good caning.

I am really getting into it, but now I am scared that people at work or friends may find out.

I always hide my whip marks, but we had a works football match the other week and I was terrified to have a shower after the game in case my colleagues saw the marks.

I always hide them, but I'm still worried they will be seen one day.

I don't know what to do?

## Dear Ashleigh,

I'M seriously considering having my 38FF boobs reduced – and that's what I'd like your opinion on.

I've always enjoyed the looks I've got from men, especially when I wear low-cut tops, and they find it almost impossible not to store at my cleaves.

## Dear Ashleigh,

I LIVE on the 25th floor of a council block and I've been unemployed for three years. Ever since I left school, I

One is doing odd jobs for some of the women in the block where I live.

So I told her to strip, bend over the couch and finger herself. She had no problem with this and it wasn't long before I got my rock-solid nine-incher out and

For the next couple of hours I

also entertain Liverpool, Chelsea, Manchester United and Arsenal between now and the end of the season. These are worrying times at Goodison Park. In their current form it is highly unlikely that they can stop City as they just don't have the personnel or organisation to frustrate the champions in the same way as Newcastle did at St James' Park last week. City are 1/3 at BetVictor to return to the top-of-the-table with the Blues 9/1 to do neighbours. Inversol a favour and the Blues 9/1 to do neighbours Liverpool a favour and keep the points with the draw at 9/2.

Liverpool dropped another valuable two points at the

their title with the Reds a shade of odds on at 4/5. Sergio Aguero's predatory instincts were too much for Arsenal at the Etihad on Sunday and the Argentinian striker will relish the opportunity of facing the Everton defence at present. Aguero is 17/5 to open the scoring and 19/20 at BetVictor to score at anytime.

With Chelsea visiting the Etihad on Sunday it is possible, however, that Pep Guardiola will shuffle his pack and start with Gabriel Jesus. The recommendation is for City -1 on the handicap at 10/11 with BetVictor. The hugely disappointing Theo Walcott was restored to the Everton starting XI for their 3-1 defeat at the hands of Wolves on Saturday.

#### **Ideas**

Everton are 5/4 with BetVictor to end the campaign in the bottom half of the season – and that represents a very fair price.

I am convinced that Marco Silva deserves time to get his ideas across and build his own team, but he is 2/1 joint favourite at BetVictor to be the next PL manager to less / leave his nost and it would not surnise.

2/1 Joint ravourite at BetVictor to be the next PL manager to lose/leave his post and it would not surprise me if the Blues only just scraped 40 points - if that - this season such is their difficult end to the season. I think the Baggies will edge a very close game.

Brighton have failed to score in their last three homes and, while they scored twice at Craven Cottage last week, they have failed to win at the Hawthorns in their last ten visits. Brighton had 24 attempts at goal in the tie at the Amex and 21 at the weekend against Watford without

The opener is again, a

hotly contested race and you can make a case for quite a few. I'm thinking outside the box and plumping for TEL'ART who should be forgiven for his run last time out.

#### **Fancied**

The run before that at Bangor was a promising victory and the form of that race has been boosted since. Nico De Boinville takes over the reigns today and I expect him to make the best of his way home

today. Will Biddick makes the long journey up to Shropshire again, which should be a clue in itself. Marinero perhaps has a chance of getting closer to him but he will need to improve a fair bit if he is to reverse the form.

The finale looks a good race too, and I suspect Morning Vicar will be all the rage for Nicky Henderson as this is a course he does so well at. However, he looked a non stayer last time at Newbury and therefore is the lay of the day for me. DIOMEDE DES MOTTES

is all stamina and he has been running well in better races than this so far this season. The form of all season. The form of all three runs looks strong and Dan Skelton has found him an ideal opportunity.
